

Helpful Information

If you would like someone mentioned during the prayers in the Sunday morning service. Please write their name in the prayer book in the entrance area. This book is available for anyone to contribute.

HARD OF HEARING: May we remind members of the congregation that there is a 'loop' system in operation in this Church. Please adjust your Hearing Aid to setting "T".

Our children and young people leave the church service to attend Junior Church, in the Upper room, immediately following the second hymn. If you are a visitor to our Sunday morning worship, your children are invited to join with the Junior Church session. Parents are welcome to accompany their children and are free to return to the main service at any time.

We serve tea, coffee and soft drinks after the morning service. Do stay and meet together with us.
